

## Lanier Volleyball Club Facility Banner Fundraiser

Greetings,

Lanier Volleyball Club is kicking off the upcoming season with a program that will provide low cost advertising for your business organization as well as provide an opportunity to continue to enhance and grow our volleyball program. Lanier Volleyball Club is a member of the United States of America Volleyball Association (USAV). Our programs currently include a recreational program for Gainesville Parks and Recreation and Hall County Middle School League. We also have a travel volleyball program (Junior Olympic) in which we will travel and compete in tournaments throughout Georgia and also attend the Regional Championship Tournament in Atlanta.

We are offering a 3' x 4' Banner with your company logo for the price of \$250.00. This price will include a banner to be displayed on the wall at Lanier's home gym and also a website banner. Our website generates tens of thousands of visits per year. Your company name will be seen by the many players and fans throughout the upcoming volleyball season. Throughout the course of a year, we have hundreds of families in our facility for rec league volleyball, Junior Olympic volleyball, summer programs as well as a taekwon do school, Ava White Academy and the church members that share our facility. In addition to the visibility, we will encourage our players and fan base to patronize your business. Your ad purchase goes directly towards covering the fees of the player selling you this service, the production of this banner, and the funding of our needs based scholarship program. **20% of the cost of this banner is considered tax deductible (\$50.00) – Lanier Volleyball Club is a 501 c 3 tax deductible organization.**
